We have an exciting position that has become available in the graphic department. Our business is growing quickly and our "promote from within" culture will see the successful candidate with a solid career plan for their future.

Responsibilities:

- Design web/promotion banners, product images, templates and other digital creative material
- Run marketing campaigns in various channels like social media, newsletters and website
- Take care of the strategy and image postings in social media channels (mainly Instagram and Facebook)
- Manage CRM platform & be responsible for creating and scheduling newsletters on a weekly basis
- Create digital images with an understanding for the brand/product strategy in a western market
- Setup and design e-commerce websites in Shopify and Amazon storefront
- Understand and discuss the digital graphic needs from clients

Qualifications:

- Be CREATIVE and be RESPONSIBLE
- Bachelor's degree in Graphic Design or related fields
- At least 2 years of experience in a graphic design function
- Confident in Adobe Illustrator, Photoshop, Aftereffect and Premier Pro
- Must be fluent in both written and spoken English (we have a US audience)
- Excellent understanding of typography, composition and color theory
- Strong marketing communication skills, both verbal and written
- Ability to provide perspective & innovative ideas
- An eye for details, good design & layout creativity
- Creative, Artistic and open minded
- Positive and dynamic attitude
- Ability to work independently and as part of a team
- Knowledge of basic HTML/CSS is a plus
- Experience in E-Commerce is a plus

Please feel free to apply for this role by sending us a portfolio as well as an updated CV/resume with expected salary.

Salary: 25-35.000 THB depending on past experience and demonstrated skills.
